

Tailor Transfer

Partner
Program

**Would you like
to offer premium
film and video
transfer services?**

The Tailor Transfer Partner Program is the only end-to-end, all-inclusive offering that empowers you to increase revenue by providing your customers the highest-quality film and video transfer services.

The program gives you an instant suite of film, videotape, photo, slide, new digital video and audio transfer services that you can sell to your clients immediately. The program also provides you with total support at every stage of the sales and delivery cycle—from setting your own prices and online ordering to customer communications and promotional materials. We are always available to field questions, and we go above and beyond in fulfilling requests and providing the utmost in quality—with no hidden costs to you.

Working with Tailor Transfer is easy:

- 1.** Complete your customer's order online or with an order form
- 2.** Send us your customer's materials
- 3.** Your order will be processed within 5-7 days

Added Revenue at No Cost

Increase Profits with No Investment

Joining the Tailor Transfer Partner Program allows you to provide additional, better services and generate more revenue. It's free to join and you'll save on equipment, staff training, and marketing costs. This all-inclusive program also ensures there are no hidden costs for the extra touches that keep your customers happy.

Superior Transfer Quality

Top-of-the-Line Film and Video Transfers

Our TailorHD™ transfer process uses state-of-the-art, professional transfer equipment and the most advanced editing software available, providing the highest-quality end product for your customers. Our film technicians go above and beyond to ensure our conversions are the best—from film cleaning and scene-by-scene image enhancements to opening titles and background music.

Effective Sales Tools

Sales Support from Tailor Transfer

We provide comprehensive sales support and professional marketing communications, including an interactive partner website that enables price setting and online ordering, customer education materials, in-store displays, and a personalized website link to advertise your added transfer services.

Outstanding Customer Service

Keeping Customers Happy Since 1985

Our friendly and knowledgeable team readily answers questions and fulfills ordinary (and extraordinary) requests from both you and your customers. We take extra measures to preserve and respect your customers' treasured films, videos and photos—completing nearly every job in 5-7 days and using a back-up system for further assurance.
